LIVE-MODEL PHYSICIAN LED CME SYMPOSIUM

This CME hands-on workshop addresses PRP injections for the treatment of O-Shot® and P-Shot® along with Shockwave Therapy (ESWT). Receive a clinical certificate of completion, CME hands-on certificate along with a 3 month complimentary membership to the Cellular Medicine Association (CMA) to assist with all of your marketing of these protocols.

AREAS OF CONCENTRATION

Understand the clinical trial considerations for the off-label use of PRP, Radio Frequency and Shockwave Therapy protocols for sexual health and wellness.

Understand measurable endpoints of treatment when combining RF in combination therapy and also ESWT in combination with PRP injections.

Review protocols as you treat LIVE models and review consent, pre and post care and intake forms.

SCOTTSDALE

O-SHOT® & P-SHOT® ESWT

Burt Webb, MD, FACOG

Dr. Webb is one of Arizona's most recognized doctors in women's health and has been voted Top Doctor by Phoenix Magazine on several occasions by his peers. A frequent educator of women's health throughout the country, Dr. Webb is often found speaking at the University of Arizona in Tucson..

Russell Bartels, MD, FACOG

Dr. Bartels provides hormone treatment and PRP for the treatment of erectile dysfunction, hormone optimization for both men and women, and treats debilitating ailments, such as fibromyalgia, migraines, and chronic fatigue. In addition to traditional OB/GYN services, he offers a host of aesthetic services for men and women in accordance with his mantra, "Feel better, function better, and look better."
