

Activity Overview

This activity reviews the data supporting sexual wellness, arousal, and dysfunction. Diagnosis and treatment options will be addressed: discussing mechanism of action, application in different disease states, and risk profiles. It also discusses the most effective and safest integration into clinical practice including advanced skills demonstrations as well as pearls for success based on expert experience and recommendations.

Target Audience

This activity is intended to meet the needs of physicians, physician assistants, nurse practitioners, and nurses.

Learning Objectives

Upon completion of the educational activity, participants should be able to:

- Describe female/male sexual anatomy.
- Explain the physiologic changes associated with sexual response.
- Assess and diagnose sexual dysfunctions and disorders.
- Develop a comprehensive treatment plan for sexual dysfunctions and disorders that involves pharmaceutical and nonpharmaceutical products and devices.

Method of Participation

In order to receive credit, participants should watch the entire video. Statements of credit will be awarded upon completion of the post-test and online evaluation/claim credit form. If you have questions about this CE activity, please contact AKH Inc. at lritley@akhcme.com.

	CE Credit Provided by AKH Inc., Advancing Knowledge in Healthcare.
